Mark Redlin

Roxanne Bryant

Al Steele

Al Brooks

2 Yr. Board Member:

Darrick Steele

Please thank the 2016 Board for stepping up and running for office. The 2016 Board is looking forward to a great year.

BAER Report

The BAER report has been completed. <http://centralwashingtonfirerecovery.info/wp-content/uploads/2015/10/WolverineFire2500-8Summary.pdf>
I will also send an attachment with the report for review. The bridge they are talking about removing is not in Lucerne.

THANK YOU

Thank you to everyone that helped with the success of the Commodore's Ball. Thanks to Jim McKenzie for plowing the parking lot along with Al Brooks.

Big Thanks to Jim McKenzie, Jeff Peterson and his friend for removing the snow from some of the cabin roofs in Lucerne.

WELCOME ABOARD

Please welcome our newest members Doug & Carol Rowand when you see them.

LUCERNE REPORT

Things are looking very good in Lucerne. As of last week we had about 18" of snow on the ground and things look really good. **Just as a reminder please remember to not allow your animals to chase the deer or bother the wild life.** We have taken hay up to feed the animals due to the lack of food for them. The Forest Service is reminding us that it is not favorable to let our dogs chase the wild life.

EXCITING ANNOUNCEMENT

"BIG THANKS" to Brenda Getty Clark for signing the Lucerne Lease. Brenda chose to extend the lease from a 5 and 5 year to a 10 and 10 year lease. The membership is looking forward to many years of enjoying Lucerne. Thank You.
