The Lake Chelan Poker Run is one of fastest growing Poker Runs in the Northwest. We average over 60 boats with over 200 participants each year. This is a game, NOT a race, played on the water to raise money for local charities as well as help us fund the various activities of our club. The economic impact of this event can be felt throughout the community from the resorts & motels to the groceries stores & gas stations. All the local businesses feel the impact of the increase in numbers of visitors on this weekend, not just from the participants but from the incalculable numbers that come to watch the event each year. This event is a popular and fun continuation of the July holiday activities.

Each year we turn to our local businesses and friends of boating to help support our event. We look for participation in the form of sponsorships. Our sponsors make our event the success that it has been and keep us growing to contribute more and more each year. Because of our supporters, we have been able to significantly contribute to:

Ongoing Contribution to Lake Chelan: Swim Lessons, Sponsor Boater Training Classes, LCBC Scholarship Fund, Host Boater Safety Classes, & Kids Water Safety Classes.

Because of your generosity over the last few years we have been able to donate over \$8,500 to local charities!
