Participant's Registration & "Boat Show" Friday July 12 Poker Run Saturday July 13

The Lake Chelan Poker Run is one of the fastest growing Poker Runs in the Northwest. We average over 55 boats with over 200 participants each year. This is a game, NOT a race, played on the water to raise money for local charities as well as help us fund the various activities of our club. The economic impact of this event can be felt throughout the community from the resorts, motels, restaurants & wineries, to the groceries, gift shops & gas stations. All the local businesses feel the impact of the increase in numbers of visitors on this weekend, not just from the participants but from the visitors who come to watch the event. This event is a popular and fun follow up to the July 4th holiday.

Each year we turn to our local businesses and friends of boating, to be sponsors of our event. Our sponsors make our event the success that it has been and keep us growing. We contribute a third of our net proceeds to local organizations. Because of our supporters, we have been able to significantly contribute to many activities, such as:

Swim Lessons, Boater Training Classes, LCBC Scholarship Fund, Hosting Sheriff's Marine Classes, Kids Water Safety Classes, & local area fireworks. We have added donations to the Food Bank, Thrive Chelan Valley, and Lake Chelan Health. Because of your past generosity we have been able to donate over \$30,000 to local charities!
